Dear All,

Sub: GDPR Implementation

From May 25th this year, the new EU General Data Protection Regulation (GDPR) will be coming into effect across all member states. This regulation impacts how all data controllers, globally hold and manage personal data relating to EU citizens.

Syndicate Bank has been working to meet the requirements of the new regulation and has now concluded this programme.

This letter is to notify you that there is no requirement for any specific action from you in this regard to this regulation. Should you have any questions in relation to how we handle your data, we would like you to scroll through the privacy notice on our website – www.syndicatebank.co.uk.
